

Simon Says Game

Press any key to start the game

How to Play?

- **Start:** Press any key to start the game.
- **Remember the Pattern:** in which buttons are pressed
- **Repeat the Pattern:** After Simon finishes the sequence, it's your turn! Click on the colors in the same order that Simon played them.
- **Correct Guess:** If you correctly repeat the sequence, Simon will add another color to the pattern. Your task is to remember the entire sequence and continue to repeat it accurately.
- **Incorrect Guess:** If you make a mistake and click the wrong color or click them in the wrong order, the game will end, and your score will be displayed.
- **Beat Your High Score 🏆:** The goal is to beat your own high score or challenge your friends to see who can remember the longest sequence.
